F. No. 2-10/2017-P.Arts
Government of India
Ministry of Culture
Artistes Pension Section.

Minutes of the Meeting of the Expert Committee held on 31st July to 2nd August, 2017 at National School of Drama, New Delhi to consider the applications received under the “Artistes Pension Scheme & Welfare Fund”.

The Expert Committee constituted for the Scheme “Artistes Pension Scheme & Welfare Fund” met on **31st July to 2nd August, 2017** at New Delhi under the Chairpersonship of Additional Secretary, Ministry of Culture, Government of India, New Delhi. The list of members attended the meeting is enclosed.

2. The Chairperson welcomed the Members and initiated the proceedings with brief explanation of the salient features of the Scheme. Chairperson advised that only deserving applicants should be recommended. She expressed concern over the wide imbalance in the number of applications received from the States. It was observed that very less number of applications from the States like Delhi, Punjab, Rajasthan, Gujarat, Jammu & Kashmir, Jharkhand, Bihar, Madhya Pradesh, North-Eastern States, West Bengal, Uttarakhand & Uttar Pradesh etc. had been received. Therefore, the Chairperson advised the experts representing these regions to take appropriate steps for wider publicity of the Scheme among the artists. With this, the Chairperson concluded her briefing & advised the experts to scrutinize and recommend/reject the applications on the sole criteria of merit. The expert committee during the brief discussions held, expressed the following:

(a) The scheme should be widely publicised.

(b) The existing amount of monthly pension may be considered to be increased.

(c) The beneficiaries may be covered under appropriate health insurance scheme.

(d) The criteria for eligibility to receive pension that the applicant should be a recipient of State or National award should be relaxed as the State /National Awardees would be very less in number. The overall contribution of the artist to the field, recognition by various other bodies like All India Radio, Doordarshan, and Academies etc should also be taken into consideration. Members opined that many artistes who have contributed their whole life for the betterment of the art live in abject condition. To preserve our traditional art forms adequate steps need to be taken to ensure that more and more talents are attracted towards becoming fulfilled artists.

(e) The Members observed that the maximum applications were received on the basis of guidelines of old Scheme. However, the Scheme has been modified with effect from 20.10.2015 and also formats of application as well as other required documents have since been changed. Therefore, the members had opined that the applications received up to 20.10.2015 may also be considered for financial assistance and may not impose the condition of new format introduced by the MOC.

3. The Expert Committee took up **5240** applications for scrutiny, and found that a total of **3074** applications were eligible to be considered (which were recommended by various ZCCs and State Govt's) and the remaining **2166** applications were not to be considered as the same had not been recommended by the concerned ZCCs and State Govt's, after verification due to deficiencies in the application. Out of total **3074** applications, a total of **1625** applications have been finally recommended by the Expert Committee for grant of financial assistance under the "Artistes Pension Scheme & Welfare Fund".
