

****Attention: All beneficiaries of “Scheme for Pension and Medical Aid to Artistes”****

F.No.2-5/2017-P.Arts
Government of India
Ministry of Culture

Puratatva Bhawan, INA,
New Delhi, dated 30th Oct., 2017

NOTICE

Subject: Introduction of Digital Life Certificate (DLC) for beneficiaries/pensioners under “Scheme for Pension and Medical Aid to Artistes” and online submission of Income Certificate by them-reg.

Presently Artistes Pension to the beneficiaries is being disbursed through Life Insurance Corporation of India (LIC) on the basis of **Income and Life Certificates** furnished by the beneficiaries directly to LIC by post in November every year. Several Pensioners find it difficult to submit the certificates in time for various reasons. In order to alleviate the hardship caused to the pensioners, Ministry of Culture has decided to use the services of Digital Life Certificate (DLC)/Jeevan Pramaan for existing beneficiaries having Aadhaar Numbers. Further, it has been decided that this Ministry will process the Digital Life Certificates and also Income Certificates received online from the beneficiaries.

2. Jeevan Pramaan, a digital Life Certificate, is based on Aadhar Biometric Authentication which aims to further simplify the process of submission of life certificate and facilitate accuracy and timeliness in disbursement of pensions. In order to generate DLC the pensioners must have an Aadhaar and an existing mobile number. The other pre-requisites for DLC are biometric device, PC with window or Android mobile/tablet, internet connectivity and registration of Aadhaar Number should have been done with pension disbursing agency. The pensioners can either generate DLC themselves or let others do it for them. Pensioners who have Aadhaar Number and mobile number only and not other device/facility can visit any nearest Centre like Citizen Service Centre (CSC), Government office/Banks designated for generating the DLCs and get themselves registered online using their services. Pensioners might have to pay nominally for this. The all India list of such CSCs (name & address) in various States across India is posted on JP portal at: <https://jeevanpramaan.gov.in/locator>. A detailed procedure for generating Jeevan Pramaan/DLC is enclosed herewith as Annexure-I.

3. In regard to above “Ministry of Culture-Artistes Pension Scheme” has been on boarded on Jeevan Pramaan website i.e. <https://jeevanpramaan.gov.in>. The existing beneficiaries of all the States (except the beneficiaries of Assam, Meghalaya and Jammu & Kashmir) are mandatorily required to submit their Life Certificate digitally through Jeevan Praman Portal every year in November. The notification under the Scheme regarding use of Aadhaar under Section 7 of Aadhaar (Targeted Delivery of

Financial and other Subsidies, Benefits and Services) Act, 2016 has already been issued.

4. All the existing beneficiaries are requested to furnish the following documents mandatorily online on the **email of Artistes Pension Section of the Ministry i.e. apsection-culture@nic.in** [indicating the subject of the mail as DLC and Income Certificate of Shri/Smt.(name of beneficiary) having PPO No.....] **every year in November to get the pension smoothly:-**

(For example if name of a beneficiary is Shri Mani Lal and his PPO No. is 0040HR2016 then subject of the mail should be indicated as DLC and Income Certificate of Shri Mani Lal having PPO No. 0040HR2016.

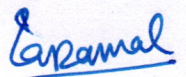

(i) Digital Life Certificate (DLC) of the beneficiary processed through Jeevan Pramaan Portal (<https://jeevanpramaan.gov.in>) by using necessary information like Aadhaar number, Mobile number and Pension Payment Order (PPO) indicated at Annexure-IV.

[Note: Till the time the Aadhaar is made mandatory by the Government for individual residing in the State of Assam, Meghalaya and Jammu & Kashmir, the beneficiaries of these States may submit coloured scanned copy of their original Life Certificate issued conventionally in the signature of Authorised Officer on the prescribed format [format available at www.indiaculture.nic.in->Schemes->Scheme for Pension and Medical Aid to Artistes->Notice inviting application and Application form->refer Annexure-III]; and

(ii) Coloured scanned copy of original Income Certificate in the prescribed format issued by the concerned Competent Authority of the States/UTs [format available at www.indiaculture.nic.in->Schemes->Scheme for Pension and Medical Aid to Artistes->Notice inviting application and Application form->refer Annexure-II(A) & Annexure-II(B)].

Note: The pension will be issued after examination/scrutiny of Life Certificate (Digital or Conventional as the case may be) and Income Certificate furnished by the beneficiaries and the same are found to be in order. The beneficiaries will have to furnish any other requisite information/document(s) as sought by the Ministry from time to time. In case the requisite documents sought by the Ministry are not received from a beneficiary, the pension will not be released to him/her till the requested documents are received in the Ministry. Further, if any discrepancy is found in the documents furnished by the beneficiary, the pension may not be released or stopped forthwith till such time the discrepancy is rectified.

Encl: As above

(I.A. Kamal)

Under Secretary (P.Arts)

To

All the existing beneficiaries under "Scheme for Pension and Medical Aid to Artistes" through uploading this Notice on the website of Ministry of Culture.

Procedure for Generating Jeevan Pramaan / Digital Life Certificate (ver1.0)

1. What is Jeevan Pramaan (JP):

There are more than one crore pensioners in the country including pensioners from Central Government and Defense personnel. These pensioners get their due pension through Pension Disbursing Authorities (PDAs) such as the banks, the post offices etc. Pensioners are required to furnish a "Life Certificate" to these PDAs in November every year either by presenting themselves personally or by delivering a life certificate in the prescribed format. The requirement to produce this certificate causes huge hardships particularly to the aged and or / infirm pensioners.

Launched by Hon. PM Shri. Narendra Modi ji, on 10th Nov 2014, **Digital Life Certificate for Pensioners Scheme of the Government of India, known as the Jeevan Pramaan (JP)** seeks to address this very problem by digitizing the whole process of securing the life certificate. It enables the pensioner to generate a digital life certificate using a software application and secure Aadhaar based Biometric Authentication System. The **Digital Life Certificate (DLC)** so generated is stored online & can be accessed by the pensioner & the Pension Disbursing Agency as and when required by them.

2. Components of the J P/ Digital Life Certificate

There are three basic components of the Jeevan Pramaan /Digital Life Certificate:

A. The Pension Sanctioning Authority (PSAs)

It is the authority which approves and sanctions the pension of an individual. The Pension is to be delivered in the Pension Account specified in the Pension Payment Order (PPO).

B. The Pension Disbursing Agency (PDAs)

The Pension Disbursing Agencies process the DLC of the pensioners. The PDAs can register on the Jeevan Pramaan Portal to access the Life Certificates on-line. This account sign up facility has been created for the PDAs (Banks, Post Office etc), to process pension orders. The Agencies can securely login to view/ download a PDF copy of DLC of Pensioner for processing.

C. The Pensioners:

The JP uses the Aadhaar platform for biometric authentication of the pensioner. For the DLC generation the pensioners needs to have Internet Connectivity, a biometric device (list of supported devices is given on the JP portal) and JP Windows/Android Client Application Software for PC/Mobile/tablet which can be downloaded from the Jeevan Pramaan portal: <https://jeevanpramaan.gov.in/>

3. Pre-Requisites for Digital Life Certificate Generation

- i) The pensioner must have a Aadhaar number
- ii) The pensioner must have an existing mobile number
- iii) Registration of the Aadhaar number with Pension Disbursing Agency (bank Post Office etc) should have been done already
- iv) Biometric device (list of supported devices is given on the JP portal)
- v) PC with Windows 7.0 & above Android Mobile/Tablet 4.0 & above
- vi) Internet Connectivity

4. Generation of Digital Life Certificate – Where & How

The Pensioners can either Generate DLC themselves or Let Others do it for them. The Pensioner can register and get a JP/DLC done at the below places:

- i) Pensioner can download the JP application (Generate DLC themselves) from the JP Portal <https://jeevanpramaan.gov.in/app/download> & install client application on android based smart Phone/tablet or Windows PC/Laptop for DLC generation.
- ii) **Pensioner can visit any nearest Centre** (having facilities for digital services) like the Citizen Service Centre (CSC), the Government Office /Banks designated for generating the DLCs and get themselves registered online using their services. Pensioner might have to pay nominally for this). The All India List of such CSCs (name & address) in various States across India is posted on JP portal at: <https://jeevanpramaan.gov.in/locater>

5. The Two Step process with Client Application for the Online DLC:

The Pensioner can download the Jeevan Pramaan Windows & Android client software from the portal. The client software will take care of registration for the life certificate, for authentication it will use the Aadhaar Biometric Authentication platform.

To download the application, the pensioner has to provide their e-mail in the online form available at <https://jeevanpramaan.gov.in/app/download>

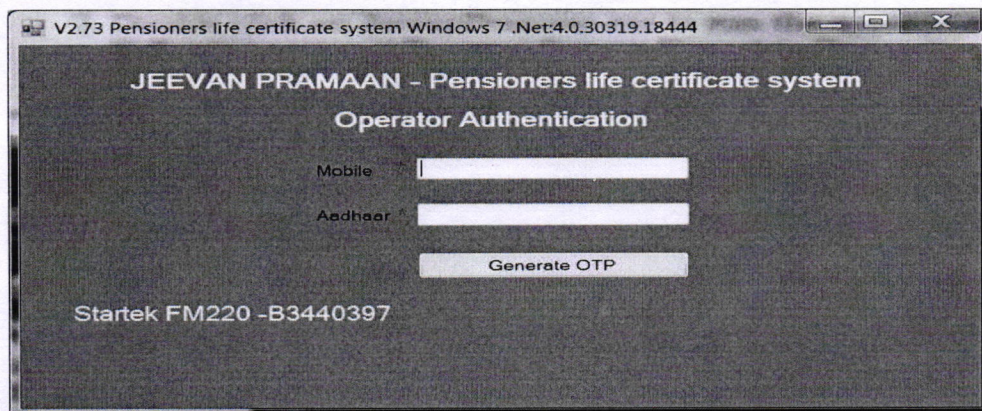

This link **will be made available after submitting the e-mail address**. The pensioner or the operator needs download the client application as per their requirement.

Generation of DLC using the Client Application Software (the registration and generation of Jeevan Pramaan) gets done in two basic steps:

5.1 Operator Authentication /Device Registration

It is required to authenticate /register the biometric device (this one time only for a particular biometric device whether it's the agencies doing the DLC generation or it is

being done by the pensioners herself/himself). The operator / pensioner provide **Aadhaar Number and a Mobile number** and receive an OTP which is provided in the online application form/ software module for registration.

V2.73 Pensioners life certificate system Windows 7 .Net:4.0.30319.18444

JEEVAN PRAMAAN - Pensioners life certificate system

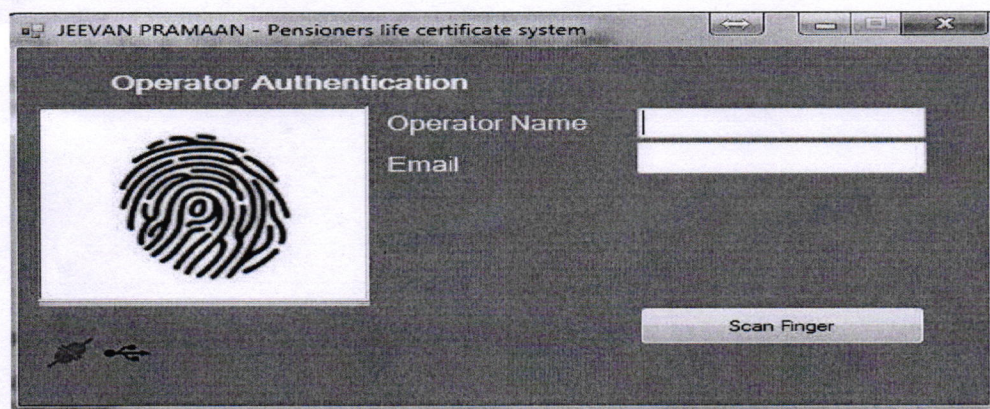

Operator Authentication

Mobile

Aadhaar

Startek FM220 -B3440397

On entering correct OTP, below screen shall be presented. Provide Name & Email ID and click 'Scan Finger'. Scan finger-print on finger-print scanner or scan Iris (Eye) on Iris Scanner connected to PC/mobile/tab.

JEEVAN PRAMAAN - Pensioners life certificate system

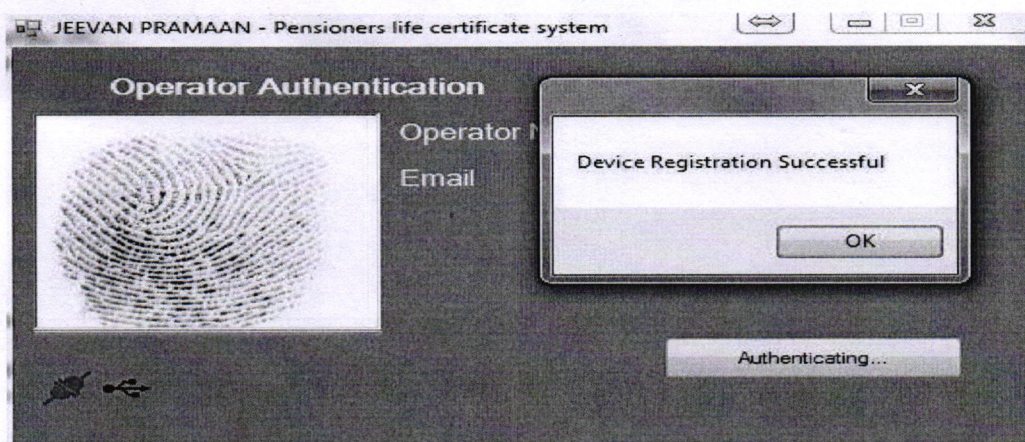

Operator Authentication

Operator Name

Email

once the finger-print/Iris is authenticated, the system displays 'Device Registration successful' message on the screen as shown in the screen below. Click on OK.

JEEVAN PRAMAAN - Pensioners life certificate system

Operator Authentication

Operator Name

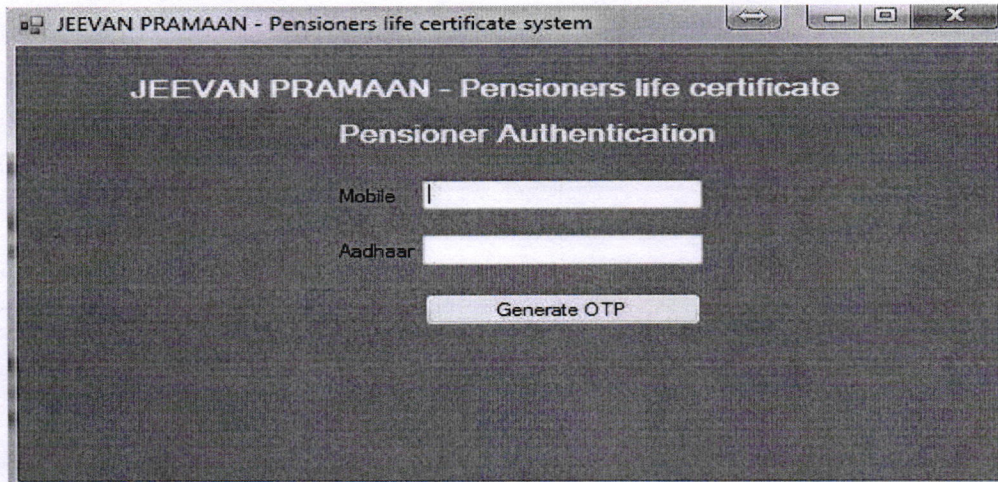

Email

Device Registration Successful

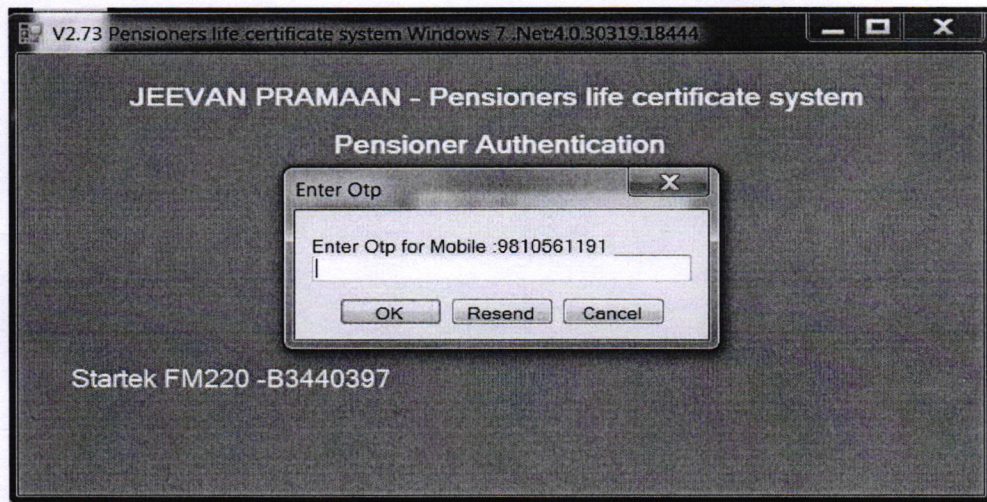

On clicking OK, Pensioner Authentication Screen appears. Pensioner now has to move to the Next step 2 -For Pensioner Authentication.

5.2 Authentication and Certificate Generation

The pensioner data **Aadhaar Number and Mobile number** is to be entered in the online application form after which the pensioner receives an OTP.

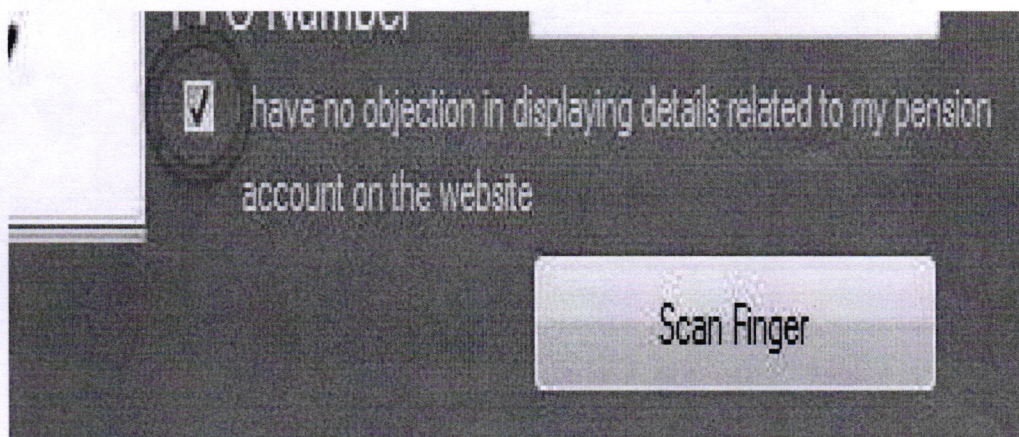

The pensioner has to enter the OTP and click OK (See Screen shot below)

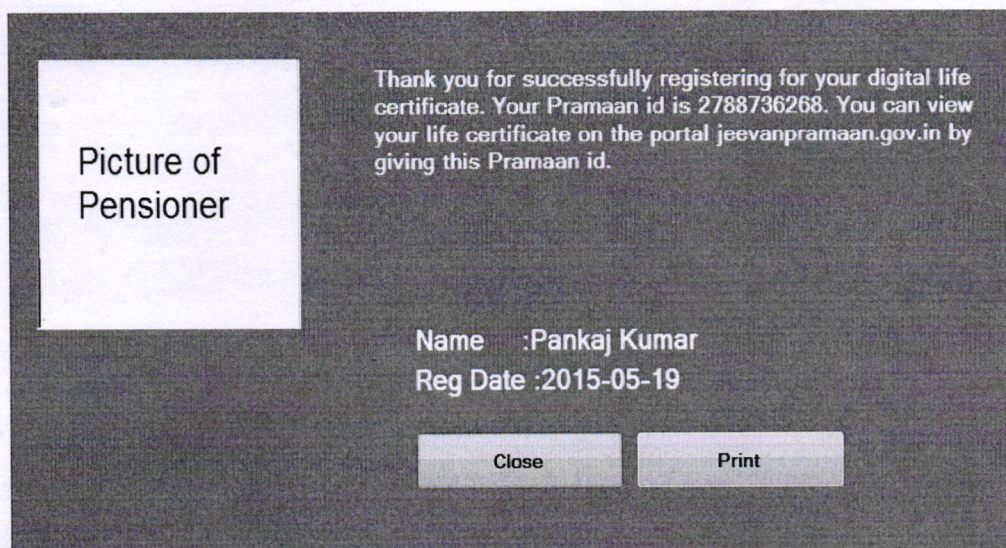

If correct OTP is entered, following screen is presented. On next screen given below, enter mandatory information like Pensioner Name, PPO Number, Type of pension, name of Sanctioning Authority, Disbursing Agency, email and Bank Account number etc. Select Remarried options, Re-Employed Options.

Check small grey box as shown below. Then click 'Scan Finger' button & this will start the finger/Iris scanning process.

Once the Finger Print/Iris Authentication is successful, the life certificate of the pensioner is displayed as shown below and an SMS acknowledgement is sent to the pensioner's mobile number. This sms has Jeevan Pramaan Certificate ID. The generated certificates or DLCs are stored in the Life Certificate Repository and is available anytime & anywhere for use by pensioner & Pension Disbursing Agency.

6. Electronic Delivery of DLC

Once the certificate is generated, the Pramaan ID is sent in a sms to the pensioner for further use (print). The Digital Life Certificate or the Jeevan Pramaan can also be electronically delivered to the Pension Disbursing Agencies. The PDAs can access and view the Life Certificate on the Jeevan Pramaan website and also download the same. The PDAs can get in touch with Jeevan Pramaan team, to enable the e-delivery facility as well as for login access.

7. Pensioner Access to the JP/DLC

The Pensioner can have the DLC available not only at the time of DLC generation but they can also download a PDF copy of the generated digital certificate from Jeevan Pramaan website(<https://jeevanpramaan.gov.in/>) by using the generated Jeevan Pramaan ID or Aadhaar number.

The Jeevan Pramaan /Digital Life Certificate application is simple and easy to implement and leaves out the difficulties which the pensioners face in production of life certificates every year. It also reduces the chances of wrongful disbursement of pension.
